EDUCATION

Master's in Public Health Science | Southern University of Denmark

SEPTEMBER 2022 – CURRENT

Bachelor's in Public Health Science | Southern University of Denmark

SEPTEMBER 2019 – JUNE 2022

High School | Brøndby Gymnasium

AUGUST 2014 – JUNE 2017

PROFESSIONAL EXPERIENCE

Research Year Student | The Bandim Health Project, Guinea-Bissau

AUGUST 2023 – CURRENT

I will be examining maternal mortality and investigate the relative distribution of death within and outside the health facilities in Guinea-Bissau.

Student Assistant | Steno Diabetes Center Sjælland

SEPTEMBER 2021 – JUNE 2023

I primarily work on quantitative tasks (data processing, table descriptions, literature searches) for projects aiming to prevent diabetes, focusing on vulnerable groups in Region Zealand.

Intern | DFUNK (Dansk Flygtningehjælp Ungdom)

APRIL 2021 – JUNE 2021

I collected and processed data on the needs, interests, and conditions of DFUNK's target group. This included data collection on young refugees in major municipalities for use in DFUNK projects.

Volunteer | SOS Children's Villages Medical Practice, Lomé, Togo

DECEMBER 2017 – FEBRUARY 2018

I observed and assisted in the medical clinic of the international NGO "SOS Children's Villages" in Lomé, gaining a broader understanding of the general practice and typical pediatric treatments for common diseases in Lomé.

Volunteer | Cabinet Medical Paix De Dieu Medical Practice, Lomé, Togo

JUNE 2015 – JULY 2015

I observed the patient-physician relationship at a general practice as well as the clinical environment in Lomé.
